

Retail Residences

Coming Soon

Come and invest in Australia's most awarded contemporary development by securing a unique Retail Residence... Comprising a quality architect-designed townhouse styled residence and a retail/commercial "main street" frontage shop, the Retail Residences will suit the smart investor or business owner. Establish or relocate your business in the commercial accommodation, live above in stylish eco townhouse or simply derive a substantial rental return from this versatile multi use property.

Whether for excellent rental return, home based business or both, this superbly located boutique ecovillagecentre precinct property represents a unique investment opportunity to secure possibly the only commercial facilities ever to be established in the prestigious Currumbin Valley.
